<p>I. Overall Evaluation</p> <p>Extremely abundant research has produced a valuable essay of importance to the textual context of one of the major works of Christianity: We --- For the Sake of Faith by Wang Mingdao. This article, with the changes integrated below, should be published.</p> <p>II. Specific Revision Suggestions</p> <p>Title: "We—For the Sake of Faith": Wang Mingdao's Critique of Modern Theology</p>			

and His Theological Controversies

Change to

Wang Mingdao's Critique of Modernist Theology...

Note: All "modern theology" should be changed to "modernist theology" in the essay.

For example:

Page 14: "Fundamentalist" and "Modernism" conceptions of faith,

Change to

"Fundamentalist" and "Modernist" conceptions of faith.

Make this consistent - where you contrast Fundamentalist, also use Modernist with the -ist ending.

Page 14: fundamental faith and modernism interpretation.

Change to

the fundamentalist interpretation of faith and the modernist interpretation.

Please adjust throughout the essay.
